I have been a resident of Berkeley since: [REDACTED]

I am interested in being considered for appointment to the following Berkeley board(s)/commission(s):

Name of board/commission: Youth Commission

Name of board/commission: [REDACTED]

List any qualifications (work experience, education, attributes and training) which you feel would provide positive input to the work of the commission and the reason why you are interested in being appointed:

I want to be on the Youth Commission because to make Berkeley better for the youth. As a BHS freshman, I have the perspective of what it's like to be a youth.

I also have relevant experience that I can bring to the Youth Commission. I am currently in Youth and Government, which is a mock legislature. This has given me direct experience on making and debating policy. I have had the opportunity to practice my public speaking skills through this program. Additionally, I work as a teaching assistant at Kehilla Community Synagogue. I have enjoyed working with a classroom of 6th graders, learning about some of their challenges, and working with them to overcome some of these challenges. Finally, I am currently enrolled in Jewish Youth for Community Action, which provides training on taking action on social justice issues.

Please use another sheet of paper, if necessary.

The following individuals are qualified to comment on my capabilities:
