(cf. 0000 - Vision)

(cf. 3000 - Concepts and Roles)

(cf. 3300 - Expenditures/Expending Authority)

(cf. 3460 - Financial Reports and Accountability)

(cf. 9000 - Role of the Board)

The district budget shall show a complete plan and itemized statement of all proposed expenditures and all estimated revenues for the following fiscal year, together with a comparison of revenues and expenditures for the current fiscal year. The budget shall also include the appropriations limit and the total annual appropriations subject to limitation as determined pursuant to Government Code 7900-7914. (Education Code 42122)

Budget Development and Adoption Process

The Superintendent or designee shall establish an annual budget development process and calendar in accordance with the single budget adoption process described in Education Code 42127(i). He/she shall annually notify the County Superintendent of Schools of the district's decision to use the single budget adoption process in the subsequent year.

In order to provide guidance in the development of the budget, the Board shall annually establish budget priorities based on identified district needs and goals and on realistic projections of available funds.

The Superintendent or designee shall oversee the preparation of a proposed district budget for approval by the Board and shall involve appropriate staff in the development of budget projections.

effectively communicate the budget to the Board, staff, and public.

Budget Criteria and Standards

In developing the district budget, the Superintendent or designee shall analyze criteria and standards adopted by the State Board of Education which address estimation of funded average daily attendance (ADA), projected enrollment, ratio of ADA to enrollment, projected revenue limit, salaries and benefits, other revenues and expenditures, facilities maintenance, deficit spending, fund balance, and reserves. The budget review shall also identify supplemental information regarding contingent liabilities, use of one-time revenues for ongoing expenditures, use of ongoing revenues for one-time expenditures, contingent revenues, contributions, long-term commitments, unfunded liabilities, and the status of labor agreements. (Education Code 33127, 33128, 33129; 5 CCR 15440-15451)

The Board shall establish and maintain a general fund reserve for economic uncertainty that meets or exceeds the requirements of law. (Education Code 33128.3; 5 CCR 15450)

The Board may establish other budget assumptions or parameters which may take into consideration the stability of funding sources, legal requirements and constraints on the use of funds, anticipated increases and/or decreases in the cost of services and supplies, categorical program requirements and flexibility, if any, as well as other factors necessary to ensure that the budget is a realistic plan for district revenues and expenditures.

(cf. 2210 - Administrative Discretion Regarding Board Policy)

(cf. 3110 - Transfer of Funds)

Long-Term Financial Obligations

The district's current-year budget and multi-year projections shall contain adequate provisions for addressing the district's long-term financial obligations, including, but not limited to, long-term obligations resulting from collective bargaining agreements, financing of facilities projects, unfunded or future liability for retiree benefits, and accrued workers' compensation claims.

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4143/4243 - Negotiations/Consultation)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

(cf. 9250 - Remuneration, Reimbursement and Other Benefits)

BUDGET (continued)

The Board shall approve a plan for meeting the district's long-term obligations to fund nonpension, other postemployment benefits (OPEBs). This plan shall include a specific funding strategy and the method that will be used to finance the district's annual fiscal obligations for such benefits in a manner that continually reduces the deficit to the district to the extent possible. The Board reserves the authority to review and amend the funding strategy as necessary to ensure that it continues to serve the best interests of the district and maintains flexibility to adjust for changing budgetary considerations.

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of OPEBs, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve a sufficient amount of money in its budget to fund the present value of the benefits of existing retirees and/or the future cost of employees who are eligible for benefits in the current fiscal year. (Education Code 42140)

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of workers' compensation claims, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve in the budget sufficient amounts to fund the present value of accrued but unfunded workers' compensation claims or if it is otherwise decreasing the amount in its workers' compensation reserve fund. The Board shall annually certify to the County Superintendent the amount, if any, that it has decided to reserve in the budget for these costs. The Board shall submit to the County Superintendent any budget revisions that may be necessary to account for this budget reserve. (Education Code 42141)

Budget Amendments

Whenever revenues and expenditures change significantly throughout the year, the Superintendent or designee shall recommend budget amendments to ensure accurate projections of the district's net ending balance. When final figures for the prior-year budget are available, this information shall be used as soon as possible to update the current-year budget's beginning balance and projected revenues and expenditures.

In addition, budget amendments shall be submitted for Board approval when the state budget is adopted, collective bargaining agreements are accepted, district income declines, increased revenues or unanticipated savings are made available to the district, program proposals are significantly different from those approved during budget adoption, interfund transfers

BUDGET (continued)

are needed to meet actual program expenditures, and/or other significant changes occur that impact budget projections.

BUDGET (continued)

The Board may establish other budget assumptions or parameters which may take into consideration the stability of funding sources, legal requirements and constraints on the use of funds, anticipated increases and/or decreases in the cost of services and supplies, program requirements, and any other factors necessary to ensure that the budget is a realistic plan for district revenues and expenditures.

(cf. 2210 - Administrative Discretion Regarding Board Policy)
(cf. 3110 - Transfer of Funds)

Fund Balance

The district shall classify fund balances in compliance with Governmental Accounting Standards Board (GASB) Statement 54, as follows:

1. Nonspendable fund balance includes amounts that are not expected to be converted to cash, such as resources that are not in a spendable form (e.g., inventories and prepaids) or that are legally or contractually required to be maintained intact.
2. Restricted fund balance includes amounts constrained to specific purposes by their providers or by law.
3. Committed fund balance includes amounts constrained to specific purposes by the Board.

For this purpose, all commitments of funds shall be approved by a majority vote of the Board. The constraints shall be imposed no later than the end of the reporting period (June 30), although the actual amounts may be determined subsequent to that date but prior to the issuance of the financial statements.

4. Assigned fund balance includes amounts which are intended for a specific purpose but do not meet the criteria to be classified as restricted or committed.

The Board delegates authority to assign funds to the assigned fund balance to the Superintendent and authorizes the assignment of such funds to be made any time prior to the issuance of the financial statements. The Superintendent may further delegate the authority to assign funds at his/her discretion.

5. Unassigned fund balance includes amounts that are available for any purpose.

When multiple types of funds are available for an expenditure, the district shall first utilize funds from the restricted fund balance as appropriate, then from the committed fund balance, then from the assigned fund balance, and lastly from the unassigned fund balance.

BUDGET (continued)

The Board intends to maintain a minimum assigned and unassigned fund balance in an amount the Board deems sufficient to maintain fiscal solvency and stability and to protect the district against unforeseen circumstances.

If the assigned and unassigned fund balance falls below the level set by the Board due to an emergency situation, unexpected expenditures, or revenue shortfalls, the Board shall develop a plan to recover the fund balance which may include dedicating new unrestricted revenues, reducing expenditures, and/or increasing revenues or pursuing other funding sources.

Reserve Balance

The district budget shall include a minimum reserve balance for economic uncertainties that is 5 percent.

In any year that the district is notified by the Superintendent of Public Instruction that the amount of monies in the state Public School System Stabilization Account equals or exceeds three percent of the combined total of general fund revenues appropriated for school districts and allocated local proceeds of taxes, the district budget shall not contain a combined assigned or unassigned ending general fund balance that is in excess of 10 percent of these funds. (Education Code 41202, 42127.01)

Long-Term Financial Obligations

The district's current-year budget and multiyear projections shall include adequate provisions for addressing the district's long-term financial obligations, including, but not limited to, long-term obligations resulting from collective bargaining agreements, financing of facilities projects, unfunded or future liability for retiree benefits, and accrued workers' compensation claims.

(cf. 4141/4241 - Collective Bargaining Agreement)
(cf. 4154/4254/4354 - Health and Welfare Benefits)
(cf. 7210 - Facilities Financing)
(cf. 9250 - Remuneration, Reimbursement and Other Benefits)

The Board shall approve a plan for meeting the district's long-term obligations to fund nonpension, other postemployment benefits (OPEBs). This plan shall include a specific funding strategy and the method that will be used to finance the district's annual fiscal obligations for such benefits in a manner that continually reduces the deficit to the district to the extent possible. The Board reserves the authority to review and amend the funding strategy as necessary to ensure that it continues to serve the best interests of the district and maintains flexibility to adjust for changing budgetary considerations.

BUDGET (continued)

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of OPEBs, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve a sufficient amount of money in its budget to fund the present value of the benefits of existing retirees and/or the future cost of employees who are eligible for benefits in the current fiscal year. (Education Code 42140)

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of workers' compensation claims, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve in the budget sufficient amounts to fund the present value of accrued but unfunded workers' compensation claims or if it is otherwise decreasing the amount in its workers' compensation reserve fund. The Board shall annually certify to the County Superintendent the amount, if any, that it has decided to reserve in the budget for these costs. The Board shall submit to the County Superintendent any budget revisions that may be necessary to account for this budget reserve. (Education Code 42141)

Budget Amendments

No later than 45 days after the Governor signs the annual Budget Act, the Superintendent or designee shall make available for public review any revisions in budgeted revenues and expenditures which occur as a result of the funding made available by that Budget Act. (Education Code 42127)

Whenever revenues and expenditures change significantly throughout the year, the Superintendent or designee shall recommend budget amendments to ensure accurate projections of the district's net ending balance. When final figures for the prior-year budget are available, this information shall be used as soon as possible to update the current-year budget's beginning balance and projected revenues and expenditures.

In addition, budget amendments shall be submitted for Board approval as necessary when collective bargaining agreements are accepted, district income declines, increased revenues or unanticipated savings are made available to the district, program proposals are significantly different from those approved during budget adoption, interfund transfers are needed to meet actual program expenditures, and/or other significant changes occur that impact budget projections.

(cf. 3300 - Expenditures and Purchases)

(cf. 3460 - Financial Reports and Accountability)

(cf. 9000 - Role of the Board)

The district budget shall show a complete plan and itemized statement of all proposed expenditures and all estimated revenues for the following fiscal year, together with a comparison of revenues and expenditures for the current fiscal year. The budget shall also include the appropriations limit and the total annual appropriations subject to limitation as determined pursuant to Government Code 7900-7914. (Education Code 42122)

Budget Development and Adoption Process

In order to provide guidance in the development of the budget, the Board shall annually establish budget priorities based on identified district needs and goals and on realistic projections of available funds.

The Superintendent or designee shall oversee the preparation of a proposed district budget for approval by the Board and shall involve appropriate staff in the development of budget projections.

Note: Education Code 42103 and 42127 require the district to hold a public hearing prior to adoption of the budget; see the accompanying administrative regulation for requirements pertaining to the public hearing. A public hearing on the district's local control and accountability plan (LCAP) must occur at the same meeting; see BP 0460 - Local Control and Accountability Plan.

The Board shall hold a public hearing on the proposed budget in accordance with Education Code 42103 and 42127.

(cf. 9320 - Meetings and Notices)

(cf. 9322 - Agenda/Meeting Materials)

(cf. 9323 - Meeting Conduct)

The Board shall adopt the district budget on or before July 1 of each year. (Education Code 42127)

At a public meeting scheduled on a date after the public hearing on the budget, the Board shall, following its adoption of the LCAP or an annual update to the LCAP, adopt the budget. The budget shall include the expenditures necessary to implement the LCAP or the annual update to the LCAP. (Education Code 42127, 52062)

Note: Pursuant to Education Code 42126, the district budget must be in a format prescribed by the Superintendent of Public Instruction (SPI). The SPI has established a requirement that districts use the Standardized Account Code Structure (SACS). SACS ensures that districts meet state and federal reporting guidelines and comply with generally accepted accounting principles prescribed by the Governmental Accounting Standards Board (GASB). The California Department of Education's (CDE) California School Accounting Manual provides guidance regarding coding of revenues and expenditures.

Note: At its discretion, the district may use a different format for communicating the budget to the Board, staff, and public but, according to the CDE, the budget that the Board formally adopts must be in the SACS format.

The budget that is formally adopted by the Board shall adhere to the state's Standardized Account Code Structure as prescribed by the Superintendent of Public Instruction. (Education Code 42126, 42127)

The Superintendent or designee may supplement this format with additional information as necessary to effectively communicate the budget to the Board, staff, and public.

Note: Education Code 42127 requires the district to file the adopted budget with the County Superintendent of Schools as described below. If the district fails to submit a budget by July 1, the County Superintendent will, at district expense, develop a budget by September 15 and transmit that budget to the Board.

No later than five days after the Board adopts the district budget or by July 1, whichever occurs first, the Board shall file with the County Superintendent of Schools the adopted district budget and supporting data. The budget and supporting data shall be maintained and made available for public review. (Education Code 42127)

(cf. 1340 - Access to District Records)

Note: Pursuant to Education Code 42127, on or before September 15, the County Superintendent must approve, conditionally approve, or disapprove the district's adopted budget. Education Code 42127 requires that this determination be based on a consideration of whether the district's adopted budget complies with state standards and criteria, will allow the district to meet its current and future financial obligations, satisfies all conditions established by the County Superintendent in the case of a conditionally approved budget, will enable the district to satisfy its multiyear financial commitments, includes the expenditures necessary to implement the LCAP or the annual update to the LCAP, and, when applicable, complies with the requirements pertaining to ending fund

balances that exceed the state minimum recommended reserve. Education Code 42127 also requires the County Superintendent to consider other studies, reports, evaluations, or audits that may indicate that the district is in fiscal distress; see the Fiscal Crisis and Management Assistance Team's Fiscal Oversight Guide and BP 3460 - Financial Reports and Accountability.

If the County Superintendent disapproves or conditionally approves the district's budget, the Board shall review and respond to his/her recommendations at a public meeting on or before October 8. The response shall include any revisions to the adopted budget and any other proposed actions to be taken as a result of those recommendations. (Education Code 42127)

Budget Advisory Committee

Note: The following optional section is for use by districts that choose to establish a budget advisory committee to provide input during the budget development process. The committee may be appointed by the Superintendent or designee (Option 1), by the Board (Option 2), or may be a Board subcommittee composed exclusively of Board members (Option 3). Committees established by Board action are subject to the Brown Act; see BP/AR 1220 - Citizen Advisory Committees. Districts should delete or modify the following options as appropriate. See the accompanying administrative regulation for optional language regarding the committee's composition and duties.

Note: This committee is different from the budget review committee that is required in the event that the County Superintendent disapproves the district's budget; see the accompanying administrative regulation.

OPTION 1: The Superintendent or designee may appoint a budget advisory committee composed of staff, Board representatives, and/or members of the community.

OPTION 2: The Board may appoint a budget advisory committee composed of staff, Board representatives, and/or members of the community.

OPTION 3: The Board may establish a budget subcommittee composed exclusively of Board members.

Note: The following paragraph is for use by districts that selected either Option 1, 2, or 3 above.

The committee shall submit recommendations during the budget development process and its duties shall be assigned each year based on district needs. All recommendations of the committee shall be advisory only and shall not be binding on the Board.

Budget Criteria and Standards

The Superintendent or designee shall develop a district budget in accordance with state criteria and standards specified in 5 CCR 15440-15450 as they relate to projections of average daily attendance (ADA), enrollment, ratio of ADA to enrollment, local control funding formula revenue, salaries and benefits, other revenues and expenditures, facilities maintenance, deficit spending, unrestricted general fund balance, and reserves. In addition, he/she shall provide the supplemental information specified in 5 CCR 15451 which addresses the methodology and budget assumptions used, contingent liabilities, use of one-time revenues for ongoing expenditures, use of ongoing revenues for one-time expenditures, contingent revenues, contributions, long-term commitments, unfunded liabilities, status of collective bargaining agreements, the LCAP, and LCAP expenditures. (Education Code 33128, 33128.3, 33129, 42127.01; 5 CCR 15440-15451)

Note: The following paragraph is for use by districts that receive supplemental and concentration funding within the local control funding formula (LCFF) based on the number and concentration of "unduplicated students" (i.e., students who are eligible for free or reduced-price meals, English learners, and foster youth) pursuant to Education Code 42238.02 and 42238.03. 5 CCR 15496 addresses the method of determining the percentage by which services for unduplicated students must be increased or improved above services provided to all students in the fiscal year. Pursuant to 5 CCR 15496, the district's LCAP must include evidence demonstrating how LCFF funding apportioned on the basis of unduplicated students is used to support such students; see AR 0460 - Local Control and Accountability Plan.

The district budget shall provide for increasing or improving services for unduplicated students at least in proportion to the increase in funds apportioned on the basis of the number and concentration of unduplicated students in accordance with 5 CCR 15496. Unduplicated students are students who are eligible for free or reduced-price meals, English learners, and/or foster youth. (Education Code 42238.07; 5 CCR 15496)

(cf. 3553 - Free and Reduced Price Meals)

(cf. 6173.1 - Education for Foster Youth)

(cf. 6174 - Education for English Learners)

The Board may establish other budget assumptions or parameters which may take into consideration the stability of funding sources, legal requirements and constraints on the use of funds, anticipated increases and/or decreases in the cost of services and supplies, program requirements, and any other factors necessary to ensure that the budget is a realistic plan for district revenues and expenditures.

(cf. 2210 - Administrative Discretion Regarding Board Policy)

(cf. 3110 - Transfer of Funds)

Fund Balance

Note: The following section should be revised to reflect district practice. Governmental Accounting Standards Board (GASB) Statement 54 addresses the way fund balances (i.e., the gross differences between assets and liabilities reflected on the balance sheet) in governmental funds are reported in external financial reports. Fund balances must be

classified as nonspendable, restricted, committed, assigned, and unassigned in accordance with GASB 54 definitions; also see AR 3460 - Financial Reports and Accountability. Pursuant to GASB 54, the Board has sole authority to specify purposes of funds classified as "committed" and also must express, or delegate the authority to express, intended purposes of resources that result in the "assigned" fund balance. The Board may modify the following section to reflect its fund balance policy or may adopt a formal resolution containing the required components.

The district shall classify fund balances in compliance with Governmental Accounting Standards Board (GASB) Statement 54, as follows:

1. Nonspendable fund balance includes amounts that are not expected to be converted to cash, such as resources that are not in a spendable form (e.g., inventories and prepaids) or that are legally or contractually required to be maintained intact.
2. Restricted fund balance includes amounts constrained to specific purposes by their providers or by law.

Note: For purposes of the committed fund balance, GASB 54 requires that the Board commit funds no later than the end of the reporting period. In New Requirements for Reporting Fund Balance in Governmental Funds, the CDE clarifies that for districts the end of the reporting period is June 30.

3. Committed fund balance includes amounts constrained to specific purposes by the Board.

For this purpose, all commitments of funds shall be approved by a majority vote of the Board. The constraints shall be imposed no later than the end of the reporting period (June 30), although the actual amounts may be determined subsequent to that date but prior to the issuance of the financial statements.

4. Assigned fund balance includes amounts which are intended for a specific purpose but do not meet the criteria to be classified as restricted or committed.

The Board delegates authority to assign funds to the assigned fund balance to the Superintendent and authorizes the assignment of such funds to be made any time prior to the issuance of the financial statements. The Superintendent may further delegate the authority to assign funds at his/her discretion.

5. Unassigned fund balance includes amounts that are available for any purpose.

When multiple types of funds are available for an expenditure, the district shall first utilize funds from the restricted fund balance as appropriate, then from the committed fund balance, then from the assigned fund balance, and lastly from the unassigned fund balance.

Note: Although not required by GASB 54, the Government Finance Officers Association (GFOA) recommends that public agencies adopt a minimum fund balance policy that establishes an appropriate level of unrestricted fund balance that will be maintained in the general fund. The GFOA's Best Practice: Appropriate Level of Unrestricted Fund Balance in the General Fund describes a variety of factors that should be considered when developing a minimum fund balance policy, such as the predictability of its revenue and volatility of its expenditures, perceived exposure to significant one-time outlays,

potential drain upon the general fund from other funds as well as the availability of resources in other funds, liquidity of resources, and portion of unrestricted fund balance already committed or assigned for a specific purpose.

The Board intends to maintain a minimum assigned and unassigned fund balance in an amount the Board deems sufficient to maintain fiscal solvency and stability and to protect the district against unforeseen circumstances.

Note: The GFOA recommends that the minimum fund policy address both the circumstances under which the unrestricted fund balance can be spent down and the procedure for replenishing deficiencies. The district may revise the following optional paragraph to specify the rate at which the district will attempt to recover the fund balance (e.g., the Board shall develop a plan to recover the fund balance at a rate of at least one percent each year).

If the assigned and unassigned fund balance falls below the level set by the Board due to an emergency situation, unexpected expenditures, or revenue shortfalls, the Board shall develop a plan to recover the fund balance which may include dedicating new unrestricted revenues, reducing expenditures, and/or increasing revenues or pursuing other funding sources.

Reserve Balance

Note: 5 CCR 15450 establishes a minimum local reserve balance for economic uncertainties based on the district's average daily attendance (ADA). The minimum reserve balance is the greater of five percent or \$55,000 for districts with 0-300 ADA; the greater of four percent or \$55,000 for districts with 301-1,000 ADA; three percent for districts with 1,001-30,000 ADA; two percent for districts with 30,001-400,000 ADA; and one percent for districts with over 400,000 ADA. The following paragraph may be revised to reflect the minimum reserve applicable to the district's ADA.

The district budget shall include a minimum reserve balance for economic uncertainties that is consistent with the percentage or amount specified in 5 CCR 15450.

Note: Education Code 42127.01 establishes, under certain conditions, a maximum amount of local reserve balance for economic uncertainties. Pursuant to Education Code 42127.01, as amended by SB 751 (Ch. 674, Statutes of 2017), if the amount of monies in the state Public School System Stabilization Account is three percent or more of the combined total of general fund revenues appropriated for school districts and allocated local proceeds of taxes, the district's combined assigned or unassigned ending general fund balance must not exceed 10 percent of those funds in the immediately following fiscal year. Basic aid districts, as defined in Education Code 42238.02, and districts with 2,500 or less ADA are exempted from this requirement and may delete the following paragraph. Other districts may also be exempted from this requirement by the County Superintendent for up to two consecutive fiscal years within a three-year period upon providing documentation of extraordinary fiscal circumstances (e.g., multiyear infrastructure or technology projects) that substantiate the need for a reserve in excess of the limit specified in Education Code 42127.01.

In any year that the district is notified by the Superintendent of Public Instruction that the amount of monies in the state Public School System Stabilization Account equals or exceeds three percent of the

combined total of general fund revenues appropriated for school districts and allocated local proceeds of taxes, the district budget shall not contain a combined assigned or unassigned ending general fund balance that is in excess of 10 percent of these funds. (Education Code 41202, 42127.01)

Long-Term Financial Obligations

The district's current-year budget and multiyear projections shall include adequate provisions for addressing the district's long-term financial obligations, including, but not limited to, long-term obligations resulting from collective bargaining agreements, financing of facilities projects, unfunded or future liability for retiree benefits, and accrued workers' compensation claims.

(cf. 4141/4241 - Collective Bargaining Agreement)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

(cf. 7210 - Facilities Financing)

(cf. 9250 - Remuneration, Reimbursement and Other Benefits)

Note: The following two optional paragraphs are for use by districts that provide "other postemployment benefits" (OPEBs) (i.e., medical, dental, vision, hearing, life insurance, long-term care, long-term disability, and other nonpension benefits to retired employees or Board members) and should be revised to reflect district practice; see BP/AR 4154/4254/4354 - Health and Welfare Benefits and BB 9250 - Remuneration, Reimbursement and Other Benefits. CSBA recommends that districts adopt a specific funding strategy for addressing their OPEB obligations. The district may pay the premiums as they fall due ("pay-as-you-go"), but in such a case the district would then accrue a deficit with respect to future retirees which can be expected to grow as a result of an increasing retiree population and increases in benefit costs. Therefore, it is recommended that the district prefund the debt to the extent possible using a method and level to be determined by the Board. For example, the district may contribute a set amount or percentage of the actuarially determined "annual required contributions" to an irrevocable trust or designated fund each year.

Note: GASB Statement 75 requires districts that do not provide OPEB through a trust to report the total unfunded liability (i.e., OPEBs that are not prefunded) in the district's financial statements; see AR 3460 - Financial Reports and Accountability.

Note: CSBA's OPEB Solutions Program provides access to qualified actuaries and consultants and a GASB 75-compliant trust to prefund future obligations. See CSBA's web site for further information.

The Board shall approve a plan for meeting the district's long-term obligations to fund nonpension, other postemployment benefits (OPEBs). This plan shall include a specific funding strategy and the method that will be used to finance the district's annual fiscal obligations for such benefits in a manner that continually reduces the deficit to the district to the extent possible. The Board reserves the authority to review and amend the funding strategy as necessary to ensure that it continues to serve the best interests of the district and maintains flexibility to adjust for changing budgetary considerations.

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of OPEBs, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve a sufficient amount of money in its budget to fund the present value of the benefits of existing retirees and/or the future cost of employees who are eligible for benefits in the current fiscal year. (Education Code 42140)

Note: The following optional paragraph is for use by districts that are self-insured for workers' compensation claims, either individually or as part of a joint powers agency. See AR 3460 - Financial Reports and Accountability for provisions related to reporting the estimated accrued but unfunded cost of workers' compensation claims based on an actuarial report.

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of workers' compensation claims, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve in the budget sufficient amounts to fund the present value of accrued but unfunded workers' compensation claims or if it is otherwise decreasing the amount in its workers' compensation reserve fund. The Board shall annually certify to the County Superintendent the amount, if any, that it has decided to reserve in the budget for these costs. The Board shall submit to the County Superintendent any budget revisions that may be necessary to account for this budget reserve. (Education Code 42141)

Budget Amendments

Note: The following section is optional and should be revised to reflect district practice.

No later than 45 days after the Governor signs the annual Budget Act, the Superintendent or designee shall make available for public review any revisions in budgeted revenues and expenditures which occur as a result of the funding made available by that Budget Act. (Education Code 42127)

Whenever revenues and expenditures change significantly throughout the year, the Superintendent or designee shall recommend budget amendments to ensure accurate projections of the district's net ending balance. When final figures for the prior-year budget are available, this information shall be used as soon as possible to update the current-year budget's beginning balance and projected revenues and expenditures.

In addition, budget amendments shall be submitted for Board approval as necessary when collective bargaining agreements are accepted, district income declines, increased revenues or unanticipated savings are made available to the district, program proposals are significantly different from those approved during budget adoption, interfund transfers are needed to meet actual program expenditures, and/or other significant changes occur that impact budget projections.

Membership of the district's budget advisory committee may include representatives of each of the following groups:

1. Governing Board members, provided that less than a majority of the Board serves on the committee

(cf. 9140 - Board Representatives)

2. District and school site administrators

3. Representatives of bargaining units

4. Certificated and/or classified staff

5. Parents/guardians

6. Representatives of the business community and/or other community members

7. Students

(cf. 1220 - Citizen Advisory Committees)

(cf. 2230 - Representative and Deliberative Groups)

(cf. 9130 - Board Committees)

Note: The remainder of this section details the duties of the budget advisory committee and is for use by districts that selected either Option 1, 2, or 3 in the "Budget Advisory Committee" section of the accompanying Board policy.

The committee's duties may include, but not necessarily be limited to:

1. Making recommendations regarding budget priorities

2. Recommending cost reduction strategies, such as identifying services that may be reduced, made more efficient, or discontinued

3. Reviewing the clarity and effectiveness of budget documents and communications

4. Presenting progress reports on the committee's work and a final report of recommendations to the Superintendent or designee and to the Board

The specific duties of the committee shall be clearly defined and presented to each member in writing, along with any background information necessary for the successful completion of the committee's charges, the timelines for reporting the committee's progress, and timelines for completion of each task.

(cf. 3350 - Travel Expenses)

Public Hearing

Note: Pursuant to Education Code 52062, the public hearing on the budget must be at the same meeting as the public hearing on the local control and accountability plan (LCAP) as described below; see the accompanying Board policy and BP 0460 - Local Control and Accountability Plan.

The agenda for the public hearing on the district budget shall be posted at least 72 hours before the hearing and shall indicate the location where the budget may be inspected. The proposed budget shall be available for public inspection at least three working days before this hearing. (Education Code 42103, 42127, 52062)

(cf. 0460 - Local Control and Accountability Plan)

(cf. 9320 - Meetings and Notices)

(cf. 9322 - Agenda/Meeting Materials)

Note: Pursuant to Education Code 42103, the County Superintendent of Schools must publish the location, dates, and times at which the district's proposed budget may be inspected, as well as the location, date, and time of the public hearing described above. This notice must be published in a newspaper of general circulation 10-45 days before the hearing.

The Superintendent or designee shall notify the County Superintendent of Schools of the location, dates, and times at which the proposed budget may be inspected, as well as the location, date, and time of the public hearing, in sufficient time for the County Superintendent to publish such information in a newspaper of general circulation at least 10 days but not more than 45 days before the hearing as required by Education Code 42103.

Note: Pursuant to Education Code 42127, as amended by AB 2585 (Ch. 309, Statutes of 2014), if the proposed budget for 2015-16 or a subsequent year includes a combined assigned and unassigned ending fund balance in excess of the minimum recommended reserve for economic uncertainties adopted by the State Board of Education and contained in 5 CCR 15450, the public hearing must provide the information specified below for public review and discussion.

Whenever the proposed district budget includes a combined assigned and unassigned ending fund balance that exceeds the minimum recommended reserve for economic uncertainties adopted by the State Board of Education, the district shall provide, for each fiscal year included in the budget, the following information for public review and discussion at the public hearing: (Education Code 42127; 5 CCR 15450)

1. The minimum recommended reserve for economic uncertainties

2. The combined assigned and unassigned ending fund balances that are in excess of the minimum recommended reserve
3. A statement of reasons substantiating the need for the combined assigned and unassigned ending balances that are in excess of the minimum recommended reserve

During the hearing, any district resident may speak to the proposed budget or to any item in the budget. The hearing may conclude when all residents who have requested to be heard have had the opportunity to speak. (Education Code 42103)

(cf. 9323 - Meeting Conduct)

Budget Review Committee for Disapproved Budgets

Note: Pursuant to Education Code 42127, as amended by SB 78 (Ch. 19, Statutes of 2015), if the County Superintendent conditionally approves or disapproves the district's initial budget, the district must respond to the County Superintendent's recommendations by October 8; see the accompanying Board policy. If the County Superintendent then disapproves that revised budget, Education Code 42127 and 42127.1 require him/her to call for the formation of a budget review committee unless the Board and the County Superintendent agree to waive the committee requirement and the California Department of Education agrees to the waiver. See BP 1431 - Waivers. The formation, convening procedures, and timelines of the budget review committee are set forth in Education Code 42127.1-42127.3.

Note: Education Code 42127 provides that the County Superintendent cannot call for the formation of a budget review committee if his/her sole reason for disapproving the district's budget is that he/she has not approved the district's LCAP or the annual update to the LCAP.

If the district's budget is disapproved by the County Superintendent for any reason other than his/her disapproval of the district's local control and accountability plan (LCAP) or annual update to the LCAP, the budget shall be reviewed by a budget review committee, unless the Board and County Superintendent agree to waive the requirement and the California Department of Education accepts the waiver. (Education Code 42127)

Note: Pursuant to Education Code 42127.2, if the Governing Board fails to select the budget review committee from a list of candidates provided by the Superintendent of Public Instruction (SPI) within five working days of receiving the list, as provided in item #1 below, the SPI will select and convene the committee no later than 10 working days after the district's receipt of the candidate list.

This committee shall consist of either: (Education Code 42127.1, 42127.2)

1. Three persons selected by the Board from a list of candidates provided by the Superintendent of Public Instruction (SPI), who shall be selected within five working days after receiving the list of candidates
2. A regional review committee convened by the County Superintendent with the approval of the Board

Note: Pursuant to Education Code 42127.2, as amended by SB 78 (Ch. 19, Statutes of 2015), the budget review committee is required to submit, by November 30, its recommendation as to whether the district's budget should be approved or disapproved and, if the recommendation is for disapproval, its recommended revisions to the budget. The SPI may extend this deadline for up to 15 working days. SB 78 also amended Education Code 42127.3 to extend until December 31 the date by which the County Superintendent, in consultation with the district and SPI, must adopt a fiscal plan and budget for the district.

If the budget review committee recommends disapproval of the district budget, the Board may submit a response to the SPI no later than five working days after receipt of the committee's report. The response may include any revisions to the adopted final budget and any other proposed actions to be taken as a result of the committee's recommendations. (Education Code 42127.3)

If the SPI disapproves the district budget after reviewing the committee's report and the district's response, the Board shall consult with the County Superintendent as he/she develops and adopts, by December 31, a fiscal plan and budget that will allow the district to meet its financial obligations. For the current fiscal year, the district shall operate in accordance with the budget adopted by the County Superintendent. (Education Code 42127.3)

Until the district receives approval of its budget, it shall continue to operate either on the basis of the prior year's budget or on the basis of the current year's unapproved budget as adopted and revised by the Board, whichever budget contains a lower total spending authority. (Education Code 42127.4)
